

## The Pink Bakery's Premium Chocolate Chip Cookie Baking Mix

### Dry Ingredients:

Organic Light Brown Sugar, Organic Sorghum Flour, Organic Arrowroot Flour, Organic Chocolate Chips (organic cane sugar, organic chocolate liquor, organic cocoa butter, organic vanilla powder), Organic Fair Trade Vegan Cane Sugar, Non-GMO Non-Aluminum Baking Powder (corn starch) Non-GMO Pink Himalayan Salt, Non-GMO Xanthan Gum (corn) and Non-GMO Baking Soda.

Sample Pouch Instructions: Preheat still oven to 400 degrees for 15 minutes or preheat convection or combi oven to 375 degrees for 15 minutes.

Add 1/2 cup neutral oil (4 oz or 113 g) and 1/3 cup of water (2.9 oz or 82 g) to the flour mixture. Mix with hand or stand mixer until dough emulsifies (approx 1-2 minutes). The dough should be smooth. If it's not, continuously add 1 tablespoon of water (0.5 oz or 13 g) until it is. Using the #50 ice cream scoop (or medium-sized spoon), measure out and shape 18 equal-sized cookies onto a parchment paper-lined baking sheet.

Bake for 10-12 minutes (this is a baseline because every oven is different. Bake time could be shorter or longer based on your oven). Let sit for 10 minutes. Serve.
